Make checks payable to: State of WI – DSPS. The fee consists of a \$15 application fee and an exam fee of \$25. When the exam is passed, the applicant will be asked to pay a \$60 credential fee. The credential, which will be issued after the exam is passed and the credential fee paid, will be effective for 4 years from the date of issuance. A person holding an HVAC Qualifier certification may apply without examination for UDC-HVAC inspector certification.

Reason for Credential: Pursuant to s. 101.178 (3), Stats., an individual may obtain in accordance with this section an HVAC qualifier certification from the department relative to the business of installing or servicing heating, ventilating or air conditioning equipment. A person or entity who utilizes a person who holds an HVAC qualifier certification under this section shall be deemed to be certified and pursuant to s. 101.178 (3) (c), Stats., may not be required to obtain a local certification, license or other approval in order to engage in the business of installing or servicing heating, ventilating or air conditioning equipment. The scope of the required examination will include questions covering heat loss, code ventilation requirements, fuel-fired equipment, combustion air, appliance venting, sheet metal, boilers and piping, air conditioning and refrigeration, electric heat, wood heat, gas piping,

equipment efficiencies and insulation.

Requirements of Credential: A person who holds the credential shall carry on his or her person the credential issued by the department while performing or conducting the activity or activities permitted under the credential.

Are you a Veteran?

If yes, please answer the following questions to see if you qualify for a fee waiver or equivalency for this credential.

1. Are you requesting a waiver of your initial credentialing fee?

☐ Yes Provide a copy of your Department of Veterans Affairs voucher code. DVA Voucher Code: _____

Your application fee of \$15 will be waived now and your credential fee will be waived once you pass the exam. **You must submit \$25 for the exam fee at this time.**

☐ No Submit the fee of \$40.

2. Are you requesting equivalency of your military training and experience?

☐ Yes Provide copies of your service school academic reports, certificates of training, or training documentation signed by your unit's training NCO or any other relevant experience that would satisfy the requirements. You may attach a personal narrative to further explain why your education / training / experience in the military has helped you prepare for this profession.

☐ No Complete the requirements listed below.

You may contact DVA at 1-800-WisVets or www.WisVets.com for assistance in obtaining your DVA Voucher Code and/or documents related to your training and experience.

Qualifications for Examination: A person applying for an HVAC qualifier certification examination shall have completed:

- At least 1000 hours per year for at least four years of experience in supervising or performing the design, installation, servicing or maintenance of HVAC systems or equipment; **or**
- At least four years of attendance in a school of mechanical engineering or in an accredited college, university, or technical, vocational or apprenticeship school in an HVAC-related program; **or**
- Any combination of four years of experience recognized under par. (a) and education recognized under par. (b).

To demonstrate the requirements for qualifying to take the examination do one or more of the following:

- **ATTACH** a copy of the official transcripts from school if you claim to have attended a school of mechanical engineering or in an accredited college, university, or technical, vocational or apprenticeship school in an HVAC-related program.
- **FILL** in the following table relating your experience in supervising or performing the design, installation, servicing or maintenance of HVAC systems or equipment.

Time Period		Experience Hours	Hours Witnessed by (please print or type)	Signature of Witness	Witness Tele. Number
Began Month/Yr	Ended Month/Yr				

If the experience you gained spanned more than 12 consecutive months use a separate row for each 12 month period. The time period does not have to be consecutive years from one row to the next. In the Time Period column fill in the beginning month and year and the ending month and year in which the experience hours were completed. In the Experience Hours column fill in the number of hours claimed for that time period but do not record more than 1000 hours in the column even if you worked more than 1000 hours. If the hours were witnessed by more than one person, the hours witnessed by each person must be filled in on separate rows. Photocopies of this page may be made if you need additional room or would like to mail to witnesses to sign. The witness must have observed or had knowledge of the number for work hours performed in supervising or performing the design, installation, servicing or maintenance of HVAC systems or equipment.

In order to obtain the credential the applicant must obtain a score of at least 70% on an examination. The exam is open book and will cover the:

1. Wisconsin Uniform Dwelling Code (UDC) (SPS 320-325) or the Boiler and Pressure Vessel Code (SPS 341); and the Wisconsin Mechanical Refrigeration Code (SPS 345). For a copy of the SPS codes call 1-800-DOC-SALE. The SPS code can also be viewed online.
